

THURSDAY NIGHT MOVIES

October 3, 2024 - "Mamma Mia! Here We Go Again"

In this musical romantic comedy, a woman grapples with running her mother's villa while also expecting her first child and worries that she won't be able to handle everything on her own. She enlists two of her mother's friends for assurance. Along the way, she learns more about her mother's past and now faces a surprise visit from someone she's never met: her own grandmother. Starring Amanda Seyfried, Lilly James, Meryl Streep, Pierce Brosnan, Colin Firth, Christine Baranski & Cher. (C) (2018) (1h 54m) (PG-13).

October 10, 2024 - "Calendar Girls"

When 12 ordinary members of the Women's Institute, a prim and proper local ladies' club, decide they need to find a more compelling way to raise money for a new charity, they turn to their traditional annual calendar and give it a very untraditional twist. Hiding behind the usual baked goods, the apple pressing, and the flower arrangements are the women -- in all their glory! Calendar Girls is a terrifically entertaining comedy. Starring Helen Mirren & Julie Walters. (C) (2003) (1h 48m) (PG-13).

October 17, 2024 - "Dirty Dancing"

In the summer of 1963, innocent 17-year-old Baby (Jennifer Grey) vacations with her parents at a Catskill's resort. One evening, she is drawn to the staff quarters by stirring music. There she meets Johnny (Patrick Swayze), the hotel dance instructor, who is as experienced as Baby is naive. Baby soon becomes Johnny's pupil in dance and love. (C) (1987) (1h 40m) (PG-13).

October 24, 2024 - "Haunted Mansion"

In this frighteningly fun adventure, a doctor and her nine-year-old son, looking to start a new life, move into a strangely affordable mansion in New Orleans, only to discover that the place is much more than they bargained for. Desperate for help, they enlist a motley crew of so-called spiritual experts to help rid their home of supernatural squatters, including a priest, a widowed scientist-turned failed-paranormal expert, a French Quarter psychic, and a crotchety professor. (C) (2023) (2h 3m) (PG-13).

October 31, 2024 - "The Sixth Sense"

Bruce Willis brings a powerful presence to an edge-of-your-seat thriller that critics are calling one of the greatest ghost stories ever filmed. When Dr. Malcolm Crowe (Bruce Willis), a distinguished child psychologist, meets Cole Sear (Haley Joel Osment), a frightened, confused, eight-year-old, Dr. Crowe is completely unprepared to face the truth of what haunts Cole. With a riveting intensity you'll find thoroughly chilling, the discovery of Cole's incredible sixth sense leads them to mysterious places with unforgettable consequences! (C) (1999) (1h 47m) (PG-13).
